Dear Ms. Smith:

As you requested, I am enclosing a printout of Federal Facilities in Region 6.

The initial identification of a potential site or incident should not be interpreted as a finding of illegal activity or confirmation that an actual health or environmental threat exists. All identified sites will be assessed under the EPA's hazardous waste site enforcement and response system to determine if a hazardous waste problem actually exists.

If you should have any further questions, please call me at (214) 767-4075.

Sincerely,

Martha McKee, Chief
Superfund Compliance Section
